Session 1- (11.15 am to 12.15 pm)

Measuring Quality Teaching and NAAC Accreditation Framework

For the first session *Prof. B. Raja Shekhar, Pro-Vice Chancellor, Hyderabad University, Telangana* was the Resource person. In his presentation he discussed about features of quality

teaching and how to measure quality teaching. He emphasized that active learning is becoming a biggest challenge. Further he concentrated on second criterion of NAAC and discussed about Teaching learning Process and its key Indicators and its weightage. He explained that Students' satisfaction level is decided by the kinds of experiences students undergo. Extent of the comfort feeling as well as intellectual stimulation the learning situation provides. Their feedback showcases the actual quality of teaching learning process enabling identification of strength of teaching as well as the positive implements. He answered queries of the participants satisfactorily. Session was conducted by Dr. Seema Bodkhe.

Session 2- (12.30 am to 1.30 pm)

Teaching Learning Practices and NEP 2020

Dr. S. Shankar, Ex. Principal, ANR College, Gudivada, Andhra Pradesh was the resource person for second session. In his presentation he explained the Vision for India's higher education system. He focused that education in NEP 2020 will not be only for the employment but it will be for progressive and prosperous nation. He discussed some of the major problems in higher education system such as severely fragmented structure, poor learning outcomes, rigid separation of disciplines, lack of access, lack of institutional autonomy. HEI should develop community engagement and service and to support school education. It will help to increase gross enrollment ratio by 2030. New policy looks forward for autonomy and flexibility in the functioning of educational institutions. This session was conducted by Dr. Archana Chapolikar.

Session 3- (1.30 am to 2.30 pm)
