IQAC Report

2020-21

A. Teaching Learning

1. In the IQAC meeting with the faculty members on Dec. 2020 it was decided that all teaching learning activities will be conducted online as per the circulars of the state Govt. and Director of Education Pune.

2. Government college of Arts & Science is affiliated to Dr.B.A.M.University,Aurangabad.According to the Academic calendar of the university semester duration was 1-11-2020 to 21-8- 2021.Offline lectures were conducted after february 2021 with 50 % attendance. But after second lock down college conducted all academic activities online.

3.separate time table for online lectures was being followed during 1-12-2020 to February 2022.

4. All faculty members use Google classroom as LMS. Most Of the faculty used google meet platform and Zoom platform for conduting lecture meeting.Some of the faculty members developed own you tube video link for the lectures.

5.Online teaching record of all faculty members was submitted to IQAC as per prescribed format developed by IQAC.

6. Whats app group were formed.

7.Faculty development programme on LMS was organized for teachers.

8. Faculty members provided PDF and other e resources to the students.

Limitations in online teaching

1.Most of the students have rural background. They faced the problem of internet range and uninterrupted electric supply.

2.Some of the students couldn't attend online lecture regulary due to the unavailability of android phone during lecture hours. Sharing of mobile for learning with siblings was also one of the limitation.

B. Examination and Result

Dr.B.A.M.University conducted online exam during the academic year 2020-21.Paper pattern was MCQ based.
