

GOVERNMENT COLLEGE OF ARTS & SCIENCE, AURANGABAD

(Activity by Music Department -Music for all)

Best Practices -1

Title: Music for all

1. Title of the Practices: Music for all.

2. Objectives: -

1.To create cultural atmosphere in the society as well as to preserve heritage of Indian classical music.

2.To entertain and make the people stress free through the music is an important objective behind it.

3. The Context: -

Our College is one of the oldest institutions for higher education in Marathwada region of Maharashtra state. Department of Music is the oldest department in the region. Very few colleges have music as an optional subject at U.G. and P.G. level. Most of the students admitting here are from rural area and underprivileged group. Many of them possess good singing qualities and performing arts. Department of Music has established Swarmayee Abhyas Mandal to give stage for new students.

4. The Practice:-

Students from the department of Music performs various programmes in the college as well in the society as a service to the society. Department has created stage for performing artist through various programmes. Following are Some of the performances for patients and old age people in the society during 2020-21

5. Evidence of Success:-

Students Got stage for performance and it has boosted the confidence level of them. Patients in the Hospital were happy after hearing the songs by students. Students understood their social responsibility through social activities of Musical Performance.

6. Problems Encountered: - No problems encountered.

GOVERNMENT COLLEGE OF ARTS & SCIENCE, AURANGABAD

Academic Practice

Best Practice: 2 Development of ecosystem for academic enrichment of students

1. Title of the Practices:

To organize workshops/Exhibitions/Webinars for the promotion of quality atmosphere and academic enrichment of the students.

2. Objectives: -

1. To create academic atmosphere for healthy development of the students from rural as well as urban area and others.

2. To increase the subject related communication of students

3. The Content: -

Our college is one of the oldest institutions for higher education in Marathwada region of Maharashtra state. Most of the students are from underprivileged group of the society. To percolate quality education and to be well versed with the every current aspect in the globalized era is the basic motive behind this practice. Most of the departments organizes workshops at regional and state level in the college for students. Eminent resource persons and guests enlighten and introduce new trends in the respected subjects. Teaching and learning is a regular practice of all institutions but workshop on allied areas of the subject expands the horizon of knowledge of students. It provides opportunity to listen and observe eminent/expertise people through these academic events. This is an old practice. But we have special focus and efforts on organizing such events with regular curricula since 2015-16. In the pandemic situation due to Corona ,In 2020-21 all seminars were conducted online

4. The Practice :- Following table will explain the nature of this practice.3.5.1

11	Chemistry	One day National Conference on Advance materials in Research and Industries	Participants 120	28-1-2022

5. Evidence of Success: -

All above events were successful. Students from our collage interacted with the resource persons. Organizers collected feedback of every event. Students became used to for online activities

Very good feedback from participants and suggestion of students to organise workshops frequently is the evidence of success. Participants have suggested various topics for future organisation of workshop which will be helpful for their career avenues

6. Problems Encountered: - Scarcity of funds.

GOVERNMENT COLLEGE OF ARTS & SCIENCE, AURANGABAD

Academic Practice

Best Practice: 3 ग्रंथ पेटी योजना (A scheme of book box for Divyang students in the Prerna Trust run by Library)

1. Title of the practice - Granth peti yojana

2. Objectives of Activity-

1. To promote the reading habit of the divyang readers.
2. To serve the society.

3. The content

This practice is run by the Library. Extension service and social responsibility towards the society are the motives behind it. Under the book box scheme, Marathi, Hindi, English story novels, personality development and competitive examination etc. books were given for reading at Divyang School named as Prerna Trust from 14th to 24th October 2021. Prerna trust is an NGO situated near college campus. It works for the training and rehabilitation of divyangjan. Books were circulated among divyang students of prerna Trust to create reading interests among them.

4. The Practice:

Different types of books were circulated among Divyag students in ten days activity by College Library. Books were given to the Divyang students for ten days during 14-10-2021 to 24-10-2021. Total 25 books from college Library were kept for those students for 10 days.

5. Evidence of success:

Divyang students read many books. They were happy and interested to read other books also. This practice is a step to inculcate reading culture among the society.
