**Sub: Submission of Report of the Career Guidance and Student Counseling
Committee For the year 2019-2020.**

Respected Madam,

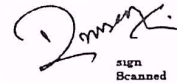

The Committee is working through the Competitive Examinations Guidance Centre which was set up in the college in addition to the Campus Interview and Placement Cell. Some of the activities of the Centre and the other two cells were held together as I was in-charge of all the three, and because there was an overlapping of many areas of interest especially of the Centre and the Career Guidance & Counseling Cell. (Reports are prepared separately in part A & B)

However, the focus of the Centre was on competitive examinations conducted by the MPSC, UPSC, SSB, IBPS and other such agencies. Efforts were also taken to motivate students and to prepare them for entrance examinations of various leading institutions of higher education in the country.

A list of activities during this period is attached here. Photographs of the some events are provided. (Report and photographs of activities has already been sent).

Kindly acknowledge.

माणसे नसणाऱ्या देशातील एका गावात माणसांच्या मेंदूची रचना अशी झाली आहे की लोक चौकशीचे उत्तर दोन वाक्यात देतात. यातील एक वाक्य नेहमीच्या तथ्याचे वर्णन करते व दुसरे अस्तित्वात नसलेल्या तथ्याचे वर्णन करते. यांच्यापैकी एकजण या भागातील सर्वोत्तम धनुर्धारी आहे. स्वतःच्या धनुकौशल्याचा विकास करण्यासाठी त्याच्याकडून सूचना मिळविण्यासाठी तुम्ही तेथे गेला आहात. त्या ठिकाणी पोहोचल्यावर वडाच्या छायेत बसून गप्पांचा आनंद लुटणाऱ्या तीन व्यक्ती तुम्हाला आढळल्या. यातील दोघे स्वतःच्या धनुष्याची डागडुजी करत होते. जेव्हा तुम्ही चौकशी सुरू केली तेव्हा त्यांनी पुढील प्रतिसाद दिला,

अनू म्हणाला, "हे माझे धनुष्य आहे, पण मी आमच्यातील श्रेष्ठ धनुर्धारी नाही."

बनू म्हणाला, "हे माझे धनुष्य नाही, अनू गावातील सर्वोत्तम धनुर्धारी आहे."

चानू म्हणाला, "मी कधीच धनुष्याला स्पर्श करत नाही. बनू सर्वोत्तम धनुर्धारी आहे."

तुम्हाला कोणाकडून धनुकौशल्याची सूचना मिळतील ?

In a small village in no man's land, brains of people are wired to answer inquiries in two sentences. One of the sentences always describes the fact as it is and the other describes nonexistent thing. One among them is the best archer of the area and you are there to get some tips from him for developing your archery skills. On reaching the place you find three persons sitting in the shadow of a banyan tree enjoying gossip. Two of them were busy mending their own arches. When you started inquiring with them, their responses were as follows :

Aanu said, "This is my arch. But I am not the best archer among us.

Banu said, "This is not my arch. Aanu is the best archer of this village.

Chanu said, "I never touch the arch. Banu is the best archer".

From whom will you get the tips about archery ?

Aurangabad

To,
The Coordinator,
IQAC,
Govt.College of Arts & Science, Aurangabad.

Sub:Submission of report of the Career Guidance & Student Counseling Committee For the Year 2018-19.

Ref: Letter of IQAC dated 07/02/2019

Respected Madam,

The committee is working through the competitive Examinations Guidance center which was set up in the college in addition to the Campus Interview & Placement Cell. Some of the activities of the center and the other two cells were held together as I was in-charge of all the three, and because there was an overlapping of many areas of interest especially of the center & the Career Guidance & Counseling Cell. (Reports are prepared separately in the part A & B)

However the focus of the center was on competitive examinations conducted by the MPSC, UPSC, SSB, IBPS and other such agencies. Efforts were also taken to motivate students and to prepare them for entrance examinations of various leading institutions of higher education in the country.

A list of activities during this period is attached here. Photographs of the some events are provided

Kindly acknowledge.

Vaishali L. Deshmukh

Dr.Vaishali L.Deshmukh

या वेळेची कार्यशाळा खूप छान झाली पण त्यामध्ये मोफत प्रशिक्षण असल्यामुळे त्यामध्ये पाहिजे तसा प्रतिसाद मिळाला नाही त्यामुळे पुढील वर्षी थोड्या प्रमाणात फीस घेण्यात यावी .या कार्यशाळेचे आयोजन हे उन्हाळ्यामध्ये 1 महिन्यासाठी करण्यात यावे असे माझे मत आहे. आणि या कार्यशाळेसाठी खूप खूप धन्यवाद.

Tata Institute of Social Sciences

Overview

TISSNET is an exam designed to find the potential Social Service and HR Managers and hence the exam is designed accordingly to be able to filter similar profiles for the applicant pool. It is not there to search people good at number crunching for Finance or testing people with tough Logical and Analytical Reasoning.

Traditionally, TISSNET is known to be very easy and has not any surprises over the years when it comes to the difficulty level. Anyone who has prepared well for CAT or XAT will find the paper a cake walk (in non GK sections). However, even if you haven't prepared well for CAT or XAT so far, then 1 month is sufficient to prepare well and crack TISSNET exam.

It doesn't have any negative marking (except for HRM and LR program) and throws generally 100 questions to be solved in 100 minutes.

It broadly tests a candidate at 3 areas: English Language (30 questions), Mathematical Ability (30 questions) and General Awareness (40 questions). Usually, it doesn't even have sectional cutoffs; but we suggest you all to have sectional cutoffs in mind unless it is explicitly mentioned on the question paper that there are no sectional cutoffs.

Cutoff for HRM course last year was 72 marks; which is due to easy level of the paper. And if the trends continue, even this year; cutoff should be in the range of 70-78 marks. For all other courses, cutoff will be low as compared to HRM course.

Overall TISSNET Strategy to score high

Since there is no negative marking, you are bound to attempt all 100 questions. But since cutoff for the most coveted course is pretty high; you cannot afford to just let accuracy take a toss and prevent yourself from scoring high.

Ideal division of time

- 20 minutes – General Awareness
- 25 minutes – Language Section
- 55 minutes – Mathematical Ability

Our only request to all TISSNET takers is to not get complacent seeing such an easy paper and make silly mistakes (because there would be some questions with close options) leading you to easily missing the otherwise possible high score.

General Awareness Section

This section contains a mix of static GK, current affairs and social issues related issues. While static GK covers areas ranging from History to terminologies; Social Awareness and Current Affairs are more focused on the areas which have had an impact on society. Some of the major areas covered in the section are:

- Literacy Rate and Sex Ratio
- Government Committees and Schemes
- Child Labor
- Domestic Violence and Women related issues/concerns
- Topics pertaining to farmers and villagers
- Indian History
- Terminologies
- Indian Budget
- Mergers and Acquisitions pertaining to land, FDI etc.
- Issues impacting SC/ST/OBC/PWD categories including but not limited to reservation
- Environment related issues
- Moral Policing and Societal harmony
- State issues across the country
- Major awards ✓
- PMs and their initiatives
- Books and Authors
- Planning Commission
- States, heads, languages and major happenings

This is the make or break section in TISSNET as it has 40 marks and can help one to score high in lesser time and invest the remaining time in other parts of the paper. If one may solve around 40 questions in 20 minutes, he/she gets more time to solve Language and Mathematical Ability section which is a big boost in a paper of only 100 minutes.

While you attempt all 40 questions, your aim should be to get atleast 30-32 right answers in the section and if you may get 30 marks in 20 minutes here; you are almost set to score high in the paper.

English Language

This section majorly covers following topics

- Reading Comprehension
- Analogies
- Antonyms-Synonyms
- Fill in the blanks
- Fill in the prepositions

Reading Comprehension passages are very easy, not too long and with direct questions. Very easy to solve with the approach of first reading the question and then identifying the location of answer in the passage.

Anyone who has prepared well for CAT/XAT or has even solved just the coaching material honestly or has solved Level 1 of Verbal Ability books in the market – will find this section a cakewalk.

While you attempt all 30 questions in the section, your aim should be to get 20-22 right answers to bag in 20 more marks atleast in the section if you are targeting to score high in the paper.

Mathematical Ability

Remember that TISS is looking to find a Social Service Manager and a HR Manager in you and not a number geek to supply to finance industry or a marketing person. Hence, the mathematical ability section tests you at very very basic maths. If you found CAT 2014 quant easy, trust this part of the paper in TISSNET to be atleast 5 times more easy.

Again, key here is to not to get complacent and make silly calculation mistakes – rather stay focused to extract the most out of this section to take your score to higher spectrum.

Major topics covered in the section are:

- Profit and Loss
- Time and Work
- Time, Speed and Distance
- Averages
- Ratio and Proportion
- Mixtures
- Basic Arithmetic Progression, Geometric Progression (mostly formula based)
- Basic LCM and HCF stuff (mostly formula based)

Yes, atleast 75-80% of the mathematical ability part of the paper will be Arithmetic only. You will not find Geometry, Algebra marking any significant presence or tricky Number system questions.

If you spend 45-50 minutes in the section; you should be able to get 25-26 right answers easily in the section and with a decent preparation for CAT/XAT; getting all correct is also not a far fetched dream.
