Action Taken Report on Student's feedback

Action Taken Report (Based on the suggestions in Student's Feedback 2021-22)

Feedback Committee of Government college of Arts & Science, Aurangabad submitted Feedback report to IQAC in June 2022. This feedback was online. IQAC and core committee of the college processed it for compliances.

Committee suggested necessary actions to comply the issues raised by the students.

Issue 1. Scope for the Betterment of the syllabus

It was decided to represent the students demand regarding updation of the syllabus in front of the Board of studies (BOS), Dr. B. A. M. University.

Issue 2. Students' expect more use of ICT in teaching learning and evaluation.

It was directed to all the faculty members to increase the use of LMS for regular teaching and internal evaluation. Committee suggested that Use of ICT should not be only online classes oriented but should be based on the blended learning approach

Issue 3. : Frequent use of K Yan and other ICT instruments was one of the recommendations by the students.

It was directed to all the departments to use K Yan, Smart Board frequently for effective teaching.

Issue 4. : More use of lab equipment and instruments (Music, Psychology) was recommended. All the departments were directed in the meeting to use lab equipments and instruments more frequently as per the need of the course.

Issue 5.: Department Library facility and remedial coaching facility should be provided.

It was suggested to the departments which does not have departmental library facility to develop library in the department. It was also suggested to maintain digital resources and e content library as a teaching tool. Regarding remedial coaching, it was decided to start again regularly as it was disturbed due to pandemic situation.

Issue 6 : Computer laboratory for the statistics department.

Committee gave direction to the mathematics department to put demand for the computers and explore the possibility for development of new lab for statistics as there is no permanent faculty in the Statistics department.
