

GOVERNMENT COLLEGE OF ART'S AND SCIENCE, AURANGABAD.

**DEPARTMENT OF PHYSICAL EDUCATION
AND SPORTS.**

Physical Education is one of the most fascinating and vibrant disciplines nowadays. This topic has evolved substantially during the previous 50 years. It has spread from school to non-school settings and from school-aged children to adults of all ages. Previously, physical education was commonly regarded to be physical activities either in school, college or some free hand exercises, games, sports, racing, swimming, and so on. When we look at the history of physical education in India after independence, we can see that the Government of India developed a variety of plans for school and colleges in which every student is required to participate in physical activities. The fitness boom and the wellness movement demonstrate the increased interest in games and sports. Sports events are broadcast around the world. Students like sports and other forms of physical activity in college because they help them achieve and maintain their health and well-being.

ABOUT THE DEPARTMENT:

The history of higher education in Marathwada region is the history of the Government College of Arts & Science, Aurangabad. The college was founded as a small beginning & has grown into an education movement with a conviction to provide education to all at minimum fees and best possible facilities. The college scaled higher peaks of excellence due to the persistent efforts taken by the former Principals who took keen interest in the development of the college. They were great scholars in their own fields and reputed teachers as well. The college was established in 1923 at Aurangabad and since then it has been playing pioneering role in providing quality education in this society the forty eight acres of college campus, known as Kile-Ark is surrounded by a huge rampart constructed in the seventeenth century which is worth mentioning.

The Physical Education & Sports Department was established in 1923 at that time the college name was Osmania Intermediate College Hyderabad. From 1951 Called as a Govt. College of Arts & Science, Aurangabad, Maharashtra. Physical Education & Sports has a separate Department. We have indoor halls like Badminton & Table Tennis. In our department various equipment are

available. We have a Ground like Volleyball, court and also we can use it for Kabaddi, Kho-Kho, Cricket games according to the Competitions.

Main Aim of the Department not only to participate & win a competition but also developed overall personality and fitness. We encourage the students to take part in Sports activities and competitions. We have a schedule for practice in various games and all sports equipment given by the sports department. We always maintain the Sports Issue Register. During the Competition College provides equipment and Sports Kits (T-shirts & shorts). Explain to them that college is going to take the responsibility & personal care of every participant. Colleges provided full security to them in all conditions. Colleges offer a special platform to selected students and give them an opportunity to participate in all the tournaments organized by different Institutions and different places. In such cases college bears all the related expenses.

From our college those who achieved prizes & medals in competitions, the Department published the News in News Paper by felicitation by the college on Annual Prize Day. That effect allows maximum students to take part in SPORTS. Now Dr.Babasaheb Ambedkar Marathwada University, made rules in Ordinance-824 Pertaining to additional 25 marks those who are participating in sports.

Normally, we take part in all most all inter-collegiate tournaments in both men and women sections. Last many years we are sending teams of volleyball, football, hockey, chess, wrestling, Gymnastics, Swimming, athletics, cross-country, body building, cricket, Baseball, softball, Kabaddi, Kho-Kho etc. The Department of Physical Education & Sports is well equipped with modern infrastructure and conducts activities like Volleyball, Cricket, Handball, Softball, Judo, Football, Netball, Chess, and Athletics. Sports are in fact a way of life for the student's health and fitness and those looking for professional star status. Physical education, a learning experience, offers a unique opportunity

for problem-solving, self-expression and socialization. A well-implemented, comprehensive programme is an essential component for the growth of both mind and body.

The Campus has excellent modern sports and physical education facilities. Various modern and traditional Indian games are presented. The activities include Volleyball, Cricket, Handball, Softball, Throw ball, Judo, Football, Netball, Gymnastics, Swimming, Taekwondo, Boxing, Chess, Athletics and Kho-Kho, Kabaddi, Baseball, softball, etc. The objective is to create a culture of fitness awareness among the general public by making sports and physical activity an integral part of daily life. The physical education programmes offer opportunities to participate in a variety of intramural (on-campus) competitions as well as extramural (off-campus) competitions at the national, state, district, zonal, inter-zonal, selection trial, inter-university, south zone inter-university, and All India university tournaments. This helps participants develop their personalities and contribute significantly to the advancement of the country.
