## Government College Of Arts & Science, Aurangabad

---

It is to provide the students with the platform to depict interaction between the wildlife fauna and flora through photographs. The main aim behind the organization is to make people more aware of the conservation and protection of the wild life. This week is celebrated because; wildlife plays a crucial role in maintaining the ecological balance of nature. Any harm to it can pose threat to entire ecosystem. Thus, it becomes important to preserve flora and fauna.
