**Subject:** To submit report on feedback by various stakeholders on curriculum 2021-22 and suggestions based on it.

Respected Sir,

Government college of Arts and Science, Aurangabad has collected and analyzed feedback on course and curriculum from students enrolled in the year 2021-22. Following are the important points marked by the students which emphasizes the restructuring/developing new course curriculum of the Degree course of the University.

Descriptive Feedback by Students focusses on -

1. The need of employability-based courses
2. The need of market demand-oriented courses.
3. The need of Field projects for degree courses including traditional courses like B. Sc. for hands on experience
4. To need to start Post graduation courses in Science, Languages and social science subjects.

On the basis of this feedback, IQAC requests academic section to take review of the course curriculum and consider above focused points under the Board of studies in Social sciences, Languages and Science and Technology.

Please find the Annual Feedback Analysis Report of the college attached herewith.

Thank you

Prof. Dr. R. H. Satpute  
Principal (I/C)
